

Germano Family Update

Looking Behind

We have been excited to see what God is continuing to do at Iglesia Bautista Dios con Nosotros. We took a step back in attendance during the holidays and with the arrival of the Omicron variant, but we are thankful that we have been able to build momentum in the last six weeks. It is encouraging to see a number of new people faithfully attending, and we are praising the Lord for using our current attenders in inviting their friends and family. During January, we also enjoyed a wonderful visit with Tim's family, and the kids were especially excited! We have seen a lot of growth in our English classes, and even though we doubled the number of classes that we are offering, we still have a waiting list for some of these classes. We are rejoicing in the visitors that have come to the church from these classes.

Looking Ahead

We will host a special friend day the Sunday before Easter. Pray as we will use this as an evangelistic outreach in our community. Also, we are planning on beginning a midweek prayer service following Easter Sunday. We have been praying about when would be the best time to start, and God has opened the door. Please pray as we add this service. Also, we will begin holding youth meetings every other month with the goal of doing them more frequently in the future. Thank you so much for your faithful prayers and support for us. We are excited about what God is doing here in Barahona.

God bless,
The Germanos
