JANUARY/ FEBRUARY 2022

Dear Praying Friends,

The beginning of this year has given us some real struggles. While Terry's knee is finally on the mend (after several different doctor visits), we are continuing to rebound from being very sick at the end of January. It seems to be a slow process, with continued set backs. We praise the Lord though for HIS help. Psalm 124:8 says, “Our help is in the name of the Lord, Who made heaven and earth.” Our God is the Creator of the universe, yet He cares about our individual needs. What a comfort!

Some of the projects and meetings for January and February include; cooking and attending our men's prayer breakfasts, helping an evangelist friend who had no water and no heat in January (!), fixing the fascia at our church, meeting Pastor Combs at Grace Baptist about an upcoming door project, looking for materials for that project, meeting Pastor Hughes at Calvary Baptist Church to discuss the final phase of their project, and making phone calls to schedule a time to look at two upcoming projects. I am thankful for a slower pace as our daughter, Erin, has been going through quite a health challenge for the last few months. God is so merciful to allow me to be here with her and for that I am very thankful!

We are looking forward to some upcoming things; our church's annual mission's conference will be the end of March. We have not been in town for one of these for quite a few years! We'll also host Joel Haynes, missionary to the Navajo Indians in AZ in April. Lord willing, we will discuss with him plans for a mission's trip to the reservation in the fall.

We appreciate all the prayers for our ministry. We ask you to continue to pray for complete health and healing, wisdom to schedule projects, an increase in our support through new projects, and that God would be glorified in ALL that we do!
