1Corinthians1:18" For the preaching of Crossunto usit is the power of God

October-December 2021

Dear Pastors and Praying friends,

I would like to wish you a Very Merry Christmas and happy near year. My prayer for all of you as we end this year is to be blessed with a merry heart and full of hope that the King Jesus is still on the Throne no matter what the New Year will come up with.

I am pretty sure you had a wonderful Thanksgiving season. For the first time since I came back we were able to have a thanksgiving gathering with a Missionary family friend. It was a blessing and a good feeling to be able to have a thanksgiving meal again. Jaebets third birthday was on November 23rd, so we had a little celebration for him coupled with the thanksgiving.

Doing ministry these past months has been very challenging due to the regaining of restrictions of the government, and needs of ministry. However it remained a very blessed period as we have seen some few sincere commitment to the Lord.

Early in October Church gathering have been banned for a month through all the nation. We have resume services in November and the mandatory of the vaccination to get in the government building has been extended to the Church buildings. So far we keep having services regardless of that requirement. ***"Therefore seeing we have this ministry, as we have received mercy, we faint not; but though our outward man perish, yet the inward man is renewed day by day"*** ***II Cor 4: 1&16***. The Lord truly has been mercifully as we serve Him keeping our door opened to this handful people he has entrusted us.

This young man name is Arsene . His mother is the most faithful lady in our church. Arsene went to Ghana for learn a Job and got involved in drugs. We have been praying for him and he came back and the first thing he asked for was to see me. Prior to his departure to Ghana we have tried to win him for Christ. This time he seek for the help of the Lord and He came to accept the Lord as a savior and has been faithfully taken the discipleship class every Tuesday. praying for their dad to come to the Lord. During one came by but would not enter the Church and stayed wife was doing the special singing and recorded the

We have been of our services he outside while his song while no one knew he was there. I called on the family to come forward and Prayed for them and their Dad without knowing he was outside recording. This testimony really encouraged the Church and we are waiting for that day the Lord will lead that man to Church to serve Him.

We would like to thank you for your unceasing prayers and faithful financial support.
