And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. II Tim. 2:2

March 2022

Dear Friends,

My wife found Maddy, a young girl maybe 10 years old, at the tract rack after the service along with her mother helping her to carefully select some gospel tracts to hand out at school to her friends. Maddy was responding to the preaching that she had just heard and shared with my wife what her plans were. My wife was able to give her some encouraging words and she left so excited for the next school day to come! Praise the Lord for tender hearts and the example of a child to follow through with what God speaks to her about. How much farther along would we be in our Christian growth if we regularly did the same!

In January we did some teacher training in our home church Bible college, preached school chapel, did a park outreach in a nearby community and a youth activity in another. Tom helped work on flooring in a mission house that had been damaged by a broken water pipe and we participated in our Right for Life rally at the Austin capitol.

February we got to visit with two of our heroes in the faith. Pastor Jose Carrizales and Mrs. Doris West (widow of Evangelist Joe West). Both of these wonderful, faithful, godly, saints have been an example to follow and an encouragement in our lives for many years. It was Pastor Jose whom God used to introduce us early in our ministry to the Spanish speaking pastors and missionaries of Texas and Mexico. It was because of a meeting at his church that we began our foreign ministry outreach which has grown to 18 countries to date. The Wests were used by God in our lives in the area of missions as well and always befriended us and encouraged us. It was truly a great blessing to visit with these special people during our time in San Antonio. We have travelled a bit meeting up with some of our supporting churches. We were in three mission conferences this month, two of which were the first two churches to partner with us in support and prayer just under 30 years ago. What a joy it is to reminisce!

March has been the month for doctor appointments. I went in for the one year follow up for my kidney surgery and we are happy to say that everything is good, Praise the Lord! I had another test yesterday because of an ongoing problem as a result of the hernia surgery that I had during the same hospital stay as my kidney and waiting for results. Cris had one small procedure done this month and will have another April 1st. Myself and a young man, Joseph Evans, will be headed to Mexico in a couple of weeks. We thank you for your prayers for us to be a blessing and help to the churches and missionaries there and for travel safety.

Very Sincerely for the Children,

Tom & Cris Geer
