Planting the Gospel Among the Mennonite People

January-February 2012

Dear Praying Friends,

We have been here over two years now but are still adjusting to the climate. With warm days, cool nights and blooming fruit trees, it feels like it should be green, but the rains do not arrive until June. We will take the nice weather though. The temperature fluctuation has caused many here to suffer from colds. Our family also went through a bout, but thank the Lord we are better now. The kids are doing well in school; Bethany finished one of her subjects today. We praised her for diligence. We have had a couple of birthdays the last while and have received numerous cards; thank you so much.

Our youth banquet, though late, was well attended. We had skits, food, and powerful preaching on the right kind of friend from Billy Wall Jr., who was our guest along with his wife. I believe the message was just what was needed. Our youth nights continue to go well with evidence of spiritual maturity, but my prayer is that more would come.

We enjoyed a visit from Cindy's brother James. This was his first time in Mexico and we had to go mountain climbing and zip lining in nearby (3 hour drive) Copper Canyon. It is one of the longest zip lines in the world and was completed only a year ago. We had a great time together.

Thank you for praying for the ministry and the various people here. We are seeing good evidence of spiritual growth. One couple accepted Christ some time ago and followed the Lord in baptism a few weeks ago. These were our first baptisms and a milestone. Praise God! They are rejoicing in the Lord. Please pray for this couple that they would continue to move forward; the devil is seeking to discourage them. They have been very opposed in this decision by some who have also made it evident to us that they do not want this church here. We are confident this church plant is God's will.

Upcoming in the month of March we have planned a Missions Conference. This will be something new to many here and we are excited about it. We ask for prayer that we would be able to add to the number of missionaries we support, but especially that our people would gain a greater awareness of the need for personal involvement. They are already active here and we are thankful for them, but the need is great for the gospel to be brought elsewhere and workers are needed. We want to continually extend our vision.

Thank you for bringing these things before the Lord. We appreciate your part in this ministry. Your faithfulness to us is not taken for granted. May the Lord bless you.

In Christ,

Will Klassen
