

# The Robinson Record

Jan./Feb. 2012

*A Robinson Publication*

Can you believe another year has already passed? As I write this letter, it is almost Christmas and yet we have no snow on the ground. Typically, here in Canada, we have snow on the ground from the end of November until the end of March. However, this year seems to be quite a bit warmer than usual (*and I'm NOT complaining!*)

I do appreciate all of you who have been writing us and letting us know that you have been praying for us. Much like you are prone to do; we also are prone to get discouraged and certainly continue to need your prayers!

On the family side of things, we would ask that you, once again, PRAY for Susan in this situation with the passing of her Mom and the affairs that need to be finalized. Without going into all the details, we would simply ask that you PRAY that God gives her wisdom in dealing with some situations that have come up with her four sisters.

In our last letter we asked you to pray for Randy. We would ask that you continue to PRAY for him that God will open His eyes to the real TRUTH! After our last conversation with him, it had seemed that he was cutting off all communication and contact with us; however, just this past week he began to initiate contact once again! We are praying that the Holy Spirit is starting to get through to his heart and finally start to open his eyes of understanding!

We would also ask that you PRAY for our evangelization efforts here. We have had much more open opportunities to share the Gospel with folks since it is close to Christmas!

In closing, our family would simply like to wish you all a... Very MERRY CHRISTMAS and a very HAPPY NEW YEAR!!

**Please also pray for:**

- More visitors
- **People to get saved** and baptized and growing
- Tanya– (*recently saved*) to grow spiritually
- Teri to get saved
